

Dog Show – thanks to Mary and Phil Whitehead for organising another successful dog show and to Eve and Brian Gerry who hosted it, at very short notice, under cover at Penhawger because of the weather. Entries were slightly up on last year and £150 was raised for Children’s Hospice South West.

Communal Area — all the paperwork has been submitted and approved by the Big Lottery Fund. Once the money has been forwarded to the Parish Council then work will be able to commence on the area.

Chapel—the chapel was sold at auction in July to a small developer from Devonport who intends to do a quality conversion.

Website—the website has been undergoing a facelift in recent weeks to bring the underlying technology more up-to-date. Most of the information has been restored but there are some photos and miscellaneous information still to go back on. As always, if you have any information of photos you would like shared on the website please contact Pam Day using the details below or via the website.

There is now a website for Menheniot Parish Council (www.menheniotparish.org.uk) which has details about the council plus news, events, clubs and more.

October 2011

Recycling/garden waste – the garden waste collection had become somewhat erratic over the summer months, but this seems to be resolved now. Ideally, waste should be put out just the day beforehand to prevent bags getting torn and the contents strewn about.

The latest recycling calendars can be found on the Cornwall Council website which is included under Useful Links on the Residents’ Association website.

Charity appeals—a reminder about certain unwanted items that are always in demand:

Old spectacles that are still usable, please contact Brian Taylor who will pass them on for use in Africa.

Unwanted books (hardbacks and paperbacks), CDs, DVDs, videos, jigsaws (complete) in a reasonable condition which will be taken to the National Trust at Cotehele for the second-hand bookshop. Please contact Pam Day who volunteers there one day a week.

Dog bin—we had received complaints about dog fouling in Venton Lane. Through the Parish Council, a dog bin has now been installed at the village end of the lane so we hope there won't be any further complaints!

We are always looking for more people to get involved, so if you are interested in helping out please contact a member of the committee.
